

VACANCY

Field Service Engineer – Lancashire Area

A vacancy has arisen for an experienced and enthusiastic Field Service Engineer who resides in the Lancashire area.

Duties to include carrying out preventative maintenance and repairs to stairlifts, lifts, hoists and other equipment used by disabled clients in domestic and public environments. Ideally from a quality background with at least 4 years relevant experience, candidates should be suitably qualified with electrical and mechanical knowledge. Some overtime out of hours will be required as will the need to participate in the out of hours call rotas.

A full driving license is essential as is the ability to communicate verbally and in writing at all levels. An enhanced DBS check will be carried out prior to appointment.

You will be provided with a company vehicle, competitive salary and other benefits associated with a successful company.

Full Job Description available upon request.
